## Research Committee Update:

- Research Task Force: Leads: Mary Kate McDonnell & Kathleen Geist
- RFE-SIG is developing key initiatives and framework for the development of research in residency and fellowship education
- ORF-SIG and RFE-SIG to collaborate
  - 1) spread the word out to members about projects and where to find the shared research platform
  - 2) identifying resources for funding projects.
  - 3) assist with dissemination of research projects and drive research questions and identify those interested in collaboration
  - 4) potential to survey members to identify what would be the best platform to share these ideas.
- AOPT Funding:
  - Does not have a particular grant for R/F research; however anyone can apply for a grant from AOPT
  - There is also the potential to use some of the monies from our budget to provide grant funding.
